Notification

It is hereby notified that, ICTRD has officially launched a new skill-based program titled "**Certified React Developer**" on **May 27, 2025**. The React Developer program is now open for enrolment and aims to equip learners with essential data skills relevant to today's digital landscape.

The cost of similar training and certification program offered by other reputed institutions typically range from Rs. 25,000 to Rs. 60,000. However, in line with ICTRD's commitment to supporting underprivileged students and promoting financial independence through accessible, high quality education, the total cost of the program has been set at a nominal for of Rs. 3000.

As per the recommendations of the Board, a scholarship of Rs. 1,500 has been approved for all students, effectively reducing the fee to **Rs. 1,500**. It is important to highlight that ICTRD charges solely for the certification examination, while the training materials is provided free of cost. This program includes comprehensive access to all training material at no additional cost, the certification examination, and the free delivery of a hard copy of the certificate to the student's registered address upon successful completion of the exam.

The certification program is hosted on the **Kaushalpith** platform, an initiative of ICTRD for skill-based programs, and can be accessed at: <https://ictrd.in/course/Certified-React-Developer>

It is also available through the official ICTRD website at www.ictrd.org under the **Certifications** section.

All program related information, including rules and regulations, examination protocols, certification formats, and guidelines, is available on the above-mentioned websites.
